

Greetings,

We wish to state our intent as candidates for Baron and Baroness of Lochmere. We have resided in the barony for 17 years and Lochmere is our home. We feel we are ready to serve and give back to this wonderful barony.

Griffin has been involved in the SCA for over 30 years, including time spent restoring the now Barony of Red Spears in the Midrealm to an active group. He has also served Lochmere as Baronial Heavy champion several times.

Cassair has been involved with SCA for 17 year. She has helped with children activities. And served as Chatelain. And she has served the monarchs as retainer.

We would like to see the barony continue to grow in all aspects including fighting and the arts. We will work with the baronial officers and populace to ensure the barony is a welcoming place for all.

We will always do our best to represent the barony at baronial and kingdom events. We will provide sound advice to the crowns and their kingdom representatives.

Yours in Service,
