Chronicler – Duchess Simone graciously answered a request for Deputy Chronicler. Medb is requesting articles from Officers for submission in the Dredgings. The first article is in this edition. Her Excellency is preparing one, and Mistress Arianna has said she will prepare one for an upcoming issue of

the Dredgings. Medb will start assigning the task to Officers if volunteers are not received. Please contact Baroness Medb at medbingenbrain@comcast.net with any questions.

Web Minister – Lord Santiago is still behind but moving quickly in a forward direction.

Chancellor Minor – Lady Cristina mentioned that Her Excellency is putting a list together for Troll at Children's Fete. Cristina will also be at Pennsic Children's Point on Tuesday of War Week.

Chatelaine – 1 new contact from Caid. Beverly is interested in the Deputy position, however, she would like more information. It was said this would be an ideal time for Lady Shannon to create an article for the Dredgings!

Seneschal – Padre asked if anyone would mind the list of names on the Polling be in the Order of Precedence. No one objected.

Her Excellency discussed thoughts to separate Newcomers from A&S night, or add a special Newcomers get together aside from the regularly scheduled meeting. There was much discussion over the frequency of the Special Newcomers Day and when would be the best date/time to hold this. It was recommended to hold this prior to a scheduled Event to inform people what they should bring to Events and what they could expect, perhaps bringing along a laptop with photos from previous Events. Also recommended that the Chatelaine or volunteers follow up with contacts. A&S/Newcomers Night will remain as is, with the special occasion to begin once every three months. Garb will be optional, Officers should try their best to attend. Volunteers have stepped forward to host the next two! The first will be on the last Sunday of June at Padre's. Jeffrey and his Lady volunteered to host the 2nd (date to be determined).

The next Business Meeting will be on the 19th of July.

Officer positions in the Barony, what is it that they do?

hronicler

The job of a chronicler is enormously satisfying. Although it involves a recurring monthly task of preparing the Barony of Lochmere's newsletter, each month I have the satisfaction of seeing that work come to life.

It requires the individual in the position be warranted and familiar with policies. It also involves publishing the Business Meeting minutes, and, as mentioned above, production of a monthly newsletter. This newsletter must contain required information, and importantly, accurate, relevant information.

The Dredgings is the best way for Baronial Officers to communicate with the populace. As often as possible I plan to include not only administrative matters, but day-to-day information such as classes, schedule of fighter practice, A&S night, Newcomers gatherings, etc. I hope The Dredgings will be informative and, along with the Business Meeting minutes inform those who cannot attend the meetings.

I am asking all officers to prepare a similar article describing the duties of their offices, in the hopes that it will encourage new members who wish to learn more about these offices and perhaps participate as a deputy and eventually tackle the office. I am also asking the populace to consider writing educational articles of interest to the group to enrich those of us who want to further live the Dream of the SCA.

In continuing service to this most wonderful Barony,

Baroness Medb ingen Brain
Chronicler, Lochmere
