161 Ritchie Hwy, Severna Park (21146)

It is May 1564, Holy Roman Emperor Maximilian II has sent his envoy Adam Zwetkovich to England. His public mission is to return the late Emperor's insignia to Elizabeth. But privately, Zwetkovich is here to see if the Queen would be interested in a dynastic marriage to Archduke Charles. Zwetkovich and his entourage have arrived in Smeewick on their way to London and will be spending a couple of days investigating the politics of England and the reputation of the virgin Queen. Join us as we entertain the travelers from Germany with a day of revelry, combat at arms, mutual learning and feasting.

Chronicler's Challenge

Thank you for taking the time to read The Dredgings!

This month's challenge...

What animal is on our Baroness's heraldry?

Be the first to email me the answer and I will reward you! (sarradevicenza@outlook.com)

From last month: How many recipients may be chosen for induction into the Order of the Nonpareil during a reign and who chooses them?

Answer: This award may be given only once per reign and is conveyed solely at the discretion of the Crown. (Congrats to Mistress Genevieve, also a recipient of the Nonpareil)

Ongoing:

This one is a little tricky, so if you let me know the answer before Pennsic 2016, I will still reward you...

My peer, Countess Honor of Restormal, spent several years of her childhood in what country and later visited that country as Queen of Drachenwald?

Good luck and keep reading....I will have more Baronial, Kingdom, and SCA trivia in 2016!

~ Lady Sarra de Vicenza
