## **Announcements:**

**Baroness:** I have a couple of bags of fabric that were donated to barony, not much left, two small bags. Anyone want them (Katla took them). I have no internet or cable at home right now so it's been real hard to communicate, I had to steal Wi-Fi the other day just to get a message out. I have looked at some of the designs for the tent, but haven't heard back if we are going to get it or not. (Reynard is still waiting to hear back, but it should be any time, they weren't sure). Call me on my cellphone as soon as you hear something (Reynard – ok, ropes are made).

Seneschal: (Showing new banner) this is our new banner (New banner received very well by the populace).... The new

# Lochmere Business Meeting Notes—Continued

Merchwood banner is still under construction.

**Pensic Baronial Court (Baron):** Sunday, at the beginning of War Week the Baron is hosting a drunken court. There will be a bar if you want to bring stuff and contribute. The Seneschal has volunteered to be bartender.

**Pensic Truck Schedule:** Reynard is picking it up Thursday and will be available for loading at Reynard's place in morning about 9:00 am or so and then it is going to Dee's after 1:00 p.m. Trying to do the early start like last year, there are nine land agents in 18, but we are trying to arrange proxies for everyone. The Baroness is up early, with minions and ready to help. She says last year was the best set up and well appreciated (the work Reynard put into it last year). We need more bodies for set up and tear down, loading and unloading the truck, it's hot and heavy stuff, we need more people.

**Thrown Weapons Tourney:** Been announced. Vlad has not sent to Kingdom Seneschals yet, but he will. Need help with the tourney, setting it up, running it, need refreshments. Greer stepped up to coordinate the refreshments for the tourney. Baroness will make sure the day shade is available for the tourney. Dee is bringing hers as well.

**Battle on the Bay:** The Kingdom calendar is being updated and the pricing will be in the August Acorn.

**YAFA:** Lady Scholastica said that the SCA is joining YAFA. (Here is a FAQ on YAFA: <http://www.sca.org/YAFA-FAQ.pdf>). It's similar to how things are structure in Scouting when it comes to our youth. Everyone who wants to participate with the youth have to be vetted though YAFA. We are still learning and will pass on information as we receive it.

**On Target:** Dame Dealla has volunteered to autocrat and wants to get it spiked now. Baroness said we were going to poll and see what the populace wants to do as a Barony. We were going to send out to the lists and haven't yet because it's been really hectic lately. We will work on the questions while at Pensic.

**Baroness:** from emailed report: While the polling is certainly in everyone's mind, we still have a few things to do before we step down. We will both be at Pennsic and are very much looking forward to Lochmere's first (cough) drunken court on Sunday. More details forthcoming from Baron Gabrell. For those attending Pennsic, please keep a close eye on Facebook and the e-list for information regarding the moving van, land grab, etc.

**Seneschal:** from emailed report: I got my quarterly report in already. My access to SPIKE appears to be still working correctly. I saw and approved the Midwinter's event date. The library has us down for the September meeting, so we will be back in the Odenton Library for the September 11th meeting. The regional Seneschale reports that the polling is going well. She has the details. Everything seems to be going well.

# Lochmere Business Meeting Notes—Continued

**Chronicler:** July's newsletter was published.

**Exchequer:** from emailed report: Ledger Balance is \$8,472.52 of which \$596.46 belongs to the Equestrian Funds. The Baronial Balance is \$7,876.06 . On Target Event report has been closed. The Night on the Town event report has been closed. I ordered QTY 2 Paypal Here card readers to accept credit card payment at the gate at events. I would like to remind Autocrats to send me a copy of the site contracts otherwise I have no proof of what the site costs to match the check I write. In addition, request your own site insurance when required. I had questions about insurance as autocrat for Battle on the Bay and I found a section in the Seneschal's Handbook to be very informative regarding when it is required and how far in advance to request it if needed.

**Minister of Arts and Sciences:** from emailed report: MoAS has been pretty quiet. There was a Pennsic Prep sewing day hosted by Mistress Arianna (thank you Mistress!) and we are having a newcomer social/A&S day next Sunday with a class to make pilgrim bags.

**Chatelain:** from emailed report: Since the last month, I have been put in contact with eight new comers. Lord Carmichael met with them at AwesomeCon and forwarded their contact information to me. I've sent emails and hope to hear from them shortly! If anyone would like business cards from me, please let me know and I will have them available. Additionally, I would like to see about getting the baronial website updated to reflect this email address for ease of contact.

**Herold:** from emailed report: Took a continuing education class at University. Still need to submit my quarterly report. Nothing else to new.

**Minister of the Lists:** from emailed report: Spent the day at Stierbach Baronial Birthday/Investiture working with MOLIC Damiana - I ran the heavy weapons tournament. Authorized 1 new heavy weapons fighter and transferred one from another kingdom.

Thinking for a day to attend fighter practice to authorize fighters before Pennsic - Need to check calendar.

**Knight Marshal:** from emailed report: This past month has had mixed turnouts for the archery practices, and the weather hasn't been much help. However, we did have an excellent turnout for the practice and cook-out date. Baron Gabrell even lured in some neighbors, who have been returning since then :) :). June report sent in on time. Planning in progress for the TW tournament at Pennsic, and TW and Archery for BotB. (How cruel do Master Kryss and I want to get? :) :))

## Lochmere Business Meeting Notes—Continued

**Archery Marshal:** Nothing to report

**Equestrian:** Nothing to report

**Web Minister:** Nothing to report

**Minister of Youth:** from emailed report: The Youth Minister quarterly report was submitted in a timely manner. Met with YAFA (Youth and Family Achievement) director, Lady Katherine of the Doves, at an informal luncheon and got to talk about the BODs newest incentive program to help keep our youth active in the SCA. This is a program that was initiated two years ago in Caid, last year in An Tir and now it has come to Atlantia. One thing of great importance is that anyone who wants to mentor our youth will need to sign up and have a background check. This will be free to do till the end of the year. More on this new program as I learn about it.

**Polling Q&A**—Transcribed and posted to the lists by Lady Katla. If you haven't seen them please contact her at [lochmere.chronicler@gmail.com](mailto:lochmere.chronicler@gmail.com).

Meeting adjourned.
