# Tournament at Elchenburg Castle

November 10-12, 2017

Hosted by the Canton of Charlesbury Crossing

<https://tourneyatelchenburg.wordpress.com/>

It is Charlesbury Crossing's privilege... nay, our PLEASURE to tell you of a tournament the likes of which has never before been seen in the Kingdom of Atlantia! Join us on the feast day of Saint Leo the Great for a Grand Tournament that will pit tourney companies against tourney companies.

*Archers! Practice your aim, for your accuracy will determine the fate of your team in the lists.*

*Heralds! Your words will carry loud and far crying the virtues of your company!*

*Squires, Knights, Men-at-Arms! Polish your armor and prepare to meet your fellows on the field.*

*Cavalry! The skillful partnership of horse and rider will be on display for all to see!*

Will your tourney company take the day and prove to be the Seekers of Serenity, Protectors of Elchenburg Virginity, and the Enforcers of our Sovereign King?!?

The Members of Cavalry are invited to form their own tournament companies (consisting of

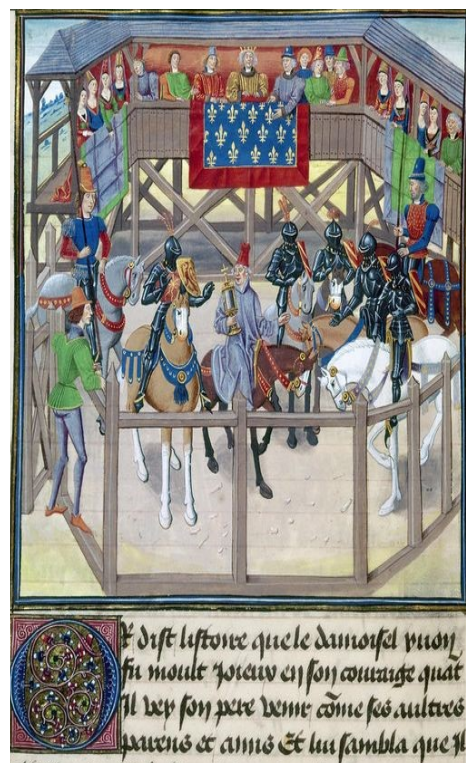

1 rider, 1 herald, 1 archer, & 2 armored combatants) under the arms of

their choice and/or creation to compete in the Grand Tournament on Saturday. The tournament will begin with an Archery Tournament, followed by an Armored Melee, then completed by the Cavalry Challenge Course. The finale of the tournament will be a singles Jousting Tournament for all those authorized.

All activities will happen where the attendees can watch and enjoy the prowess of the competitors from the comfort of the Ladies' Gallery or their personal pavilions. Spectators will be judging to determine **Best Procession**, **Best Heraldic Display**, and **Best Herald of the Day**. In addition to the Grand Tournament on Saturday, there will be various A&S Competitions Children's Activities, including a hobby horse race at the completion of the armored melee!

After the completion of the Tournaments on Saturday the evening will feature a Buffet Feast of Sausage and Sauerkraut, followed by a Bardic Boasting Competition, Songs of Chivalry, and Mulled Cider around a beautiful bonfire.

Arriving on Friday? We will entertain you Friday afternoon and evening with A&S activities, field games, a torchlight armored Cheapside Tournament, and a Pre-Tournament Ball surrounded by the arms of the Tournament Companies.

## Lochmere Business Meeting Notes

Next Meeting June 5, 2107

**Baron:** At last A&S/Newcomers did target repair, arrows, all things archery to prepare for On Target. At Stich – two teams in east were in top three. We need to get together, all A&S people step up and enter something (Baroness - and have a Lochmere specific group – possible goal for next year). Group 1 was in was all Lochmere (Baroness – goal for next year - then that was your Lochmere group). Heard some unfortunate news that someone attended a practice and was ignored and felt left out and they have not returned to Lochmere fighter practice and has gone elsewhere in the SCA. I felt bad that it happened on

# Lochmere Business Meeting Notes

our watch. Just a reminder if you are at any fighter practice, everyone is a chatelaine, and see someone in the corner sulking - step up and talk to them, make them feel welcome into the group - this goes for all events, A&S, etc. Together we can all make this group stronger by including more people. I know who the person was that felt left out and have talked with them and things are getting better. I just want to make sure it doesn't happen again.

**Baroness:** Did not go to Revenge of the Stich – went to parent's 50th anniversary. Heard said Stich was awesome. Full month of events and they are posted. Talked to Reynard and tent is a go. Will post mid-May for next scribal. New comers was past Sunday after Crown.

**Seneschal:** Not much to report – too busy to deal with BritFest. (Baron – hasn't heard anything back from them) haven't heard anything back from them or seen any interest from Lochmere either. It is June 10th at Maryland polo grounds. (Baroness – they haven't gotten back to us? Baron – no they have not). Unless I hear there is an interest – going to write them back and tell them we are not able to support them this year – maybe next year with more notice. Polling is in the hands of the Regional Seneschal – All letters of Intent need to be in by June 3, 2017 – the info is in the Dredgings, email, it's out there. Get the LOI to Regional and Kingdom seneschal and chronicler.

**Chronicler:** I got the May newsletter out!

**Exchequer:** Sent in report – Ledger balance \$11530.30 and that includes deposits for Night on the Town. However there was a banking error in March where \$4157 and some change was deposited into the Barony of Storvik's bank account instead of ours. It was noticed by Storvik's Exchequer when he was doing his quarterly report. Email is into Storvik's Exchequer so I can go pick it up at their next meeting so it can be placed into our account. Have not heard back from them yet. (Baroness – so bank just can't give us our money back?) It was not the banks error so no, they could not give us our money back. The money in question is from several things, to include Mid-Winter's feast (Baroness – how did our money get into their account if it wasn't the banks error?) The wrong account number was written on the deposit slip. (Reynard - It's possible that there was no account number on the deposit slip and the teller looked it up in the computer and wrote the first SCA account they saw, and that was probably Storvik's account number). The account number should have been written on the slip before it reached the teller. (Baroness – going back to what was mentioned a few months ago – why are we still banking with Wells Fargo? What are our options to use another bank – feels it is a bank error because they wrote the wrong account number on slip). I would like to propose that we order pre-printed deposit slips. Deposit from NOTT \$4351.00 from gate and preregistration, don't know what PayPal amount is yet, \$366 from Lochmart. Made other deposits from the Pensic field hospitality fund, etc. The

## Lochmere Business Meeting Notes—Continued

first quarter report has not been sent in yet. Had to be fixed once the error was made – sent back to Scott so he could make the comments about the deposits since I wasn't exchequer yet. He will get it back today so it can be finalized and sent off to Regional. Warrant has not yet been signed by Their Majesties however and email was sent by the Kingdom Exchequer to go ahead and conduct business. Would like permission to spend about \$50 for miscellaneous supplies for the Exchequer's office. I can buy 150 preprinted deposit slips for \$30 from Deluxe or I can shop around still. The \$30 is separate from the \$50 supplies. (Baroness – propose \$100 budget for the year for the office of Exchequer for supplies – Seneschal – if we are going to look for another bank we should hold off on purchasing deposit slips). I contacted the Regional Exchequer and we do not have to use Wells Fargo. Still need to get signature cards for Wells Fargo. I looked online at various banks, but will have to call them directly because what was online seems to be more than we pay now in bank fees and stuff with Wells Fargo. I was told by Regional that not all Wells Fargo branches make everyone go in. I am going to go to the branch on Ritchie Hwy and ask them if everybody has to come in or if just me and one other person because I am not on the account yet. (Baroness – Dee has to come off the account) Scott said to take Dee off and Vlad off. Need to add me, new Kingdom Deputy, and barony seneschal.

**Minister of Arts and Sciences:** Been doing a monthly Newcomers/A&S social Sunday and that has been going really well. We have gotten some new people that have started making their own clothes. We don't want it to be just garb focused so we are doing it a little early so we can do some arrows, and other archery related stuff to get ready for On Target. I am going to look for other folks that we can tap to teach other classes, maybe about heraldry and other interesting topics. (Baroness – we could also combine scribal – I can only do Sundays – June 18th would be good) Yes it would be a great idea. We did Revenge of the Stich and that was great fun and exhausting. We had 16 people, more than ever before. The East took 1st and 3rd. The bar was really raised this year. Sometimes we get these ideas for tunics, drink competition, recipes, etc. is there a place on the website we can keep these things? This would give newcomers a place to go to get these things and always have them on hand. (Baroness – files can be loaded up to website) Was thinking more of a blog or something. We can put links up (Chronicler – I can put stuff inside the newsletter as well). It would be nice to have these ideas and things archived somehow.

**Chatelain:** We have had a new person who has come to several events and meetings. He is more and more excited. Not much else to report but we do have an A&S coming up this Sunday focusing on everything archery.

**Herold:** Sent my report in. Court report has been filed for Night of the Tartan, not as wonderful a narrative like Baroness Wynne ferch Rhodri did but it has been submitted. The link for all the awards was included in the report. It was a heck of an event – 27 awards in total! Worked with a couple of folks on names and device submissions. Two have been submitted and

The Dredgings

## Lochmere Business Meeting Notes—Continued

they can fight at crown. We will make it all right eventually. I still have three things promised to Their Excellencies, I'm going to blame Chamberlain. Nothing else to report.

**Minister of the Lists:** Nothing to report but want to add something for NOTT – There was a fundraiser lunch for the fighters, sold over 100 lunches, it profited about \$230. Turned everything over to Exchequer. We had 61 Rapier Fighters and combat archers, 50 some participated in melees and 43 in black sword single elimination tournament, the winner was Aaron Harper. (Seneschal – do they still need MOL for Crown?) Haven't hear anything recently but did put it out there – but will be there to help any way that I can.

**Knight Marshal:** We were donated some plates – so I brought them to be turned in. Most of the gear put into Lochmart sold, at least a good portion of it. His Majesty bought a breastplate. Wasn't sure how much was earned, or who to check with to see how much was made. (Baroness – Mistress Aryana was the money separated out from what was sold during Lochmart? Aryana – it was turned in one big lump sum – it was mostly armor sold. Baroness – give it all for accounting purposes towards project to refurbish.)

**Archery Marshal:** Practices have been happening despite weather and other unforeseen incidences. A couple of new folks have been showing up. Official word is we have the Baronial Champions for thrown weapons on Tuesday at 3:30 pm with half hour set up time before hand allotted for us with no one set for after us – so no rush to be off of range. On the thrown weapons side our seneschal has made up a new tournament and turned it in to the originators of the idea. It will be playing flux with thrown weapons. The originators wanted pictures and descriptions so we may get credit for developing flux with thrown weapons. (Seneschal - Andrew Looney developed it and lives in College Park. Going to invite him to Storvik Novice – they are very excited and thrilled) (Baron – when we send in the write up can you make it clear that they don't have to be Baronial Champions, they can be a representative because we had that issue last year. One representative per Barony.)

**Equestrian:** First practice of the year will be May 21, 2017 starting at 10:00 am and finished when finished. It is in Davidsonville. Not required to have a horse or have horse experience. A calendar invite will be reposted. Would like to see people out there in support. If you just want to come out and ride we will find you a helmet – just wear shoes with a heel. Come out and see if this is for you before you go out and buy your own equipment. Everyone brings a snack and something to drink to share with everyone. Bring some chairs to sit in or a blanket.

**Web Minister:** (Seneschal – are we going to look into it, farming it out or something?) We have a volunteer, Cassair Warwick

# Lochmere Business Meeting Notes—Continued

that will give it a shot! (Baron and Baroness have no problem with volunteer). Get password and login info to volunteer. (Baroness – since this is a polling it needs to be posted in the usual places to make it official). Volunteer talk to seneschal after meeting.

**Minister of Youth:** She is on a cruise.

**Night of the Tartan:** A really great turn out! Thank you to everyone the helped out. We heard that something like 256 people showed up. Fantastic feast afterwards. Clean up was great. Didn't have any problems. One thing went wrong – the Queens crown broke when she was throwing the purple sheep! She was giggling and had a great time - Crown was fixed and all was well.

## Upcoming Events:

**On Target:** It is all coming together. Improvements have been made to the site. Brush has been trimmed and cleared and has been sprayed for poison ivy. Still looking for volunteers to handle lunch and troll. Volunteer list was passed around. Will try to get out and spray one more time before the event. On Sunday's Newcomer/A&S will be working on targets, archery stuff, whatever we can get done. Bake sale items do not have to be period.

**Pensic:** Seneschal to archery marshal: Need any help with thrown weapons? Not right now – will ask next meeting.

**Battle on the Bay:** Tentative date of May 14, 2017 to go out and look at the site with the equestrian marshal. Will get with Carlyle from Storvik to see if he'd like to come along, and Cormack as well. Wanted to go out and get a look at the site and get it in my head what is going on and where we can put things. Anyone is welcome to come out with us. (Baroness – minor thing but May 14 is Mother's Day – one thing that gets missed each year is the leach field from the bathroom – make sure it is marked off so no one parks or camps there. Have it on site map too). Will have to pick another date to do site check. Kender? from Storvik has volunteered to be Mistress of the Lists. MIC: Cormack.

**Mid Winter:** Thought I was going to look at sites yesterday and wasn't able to do that. Nothing else to report. Will be calling around to known sites. I had no baseline as to what a site needs to consist of so I spoke to Mom for ideas, I mean the Exchequer! (Baroness – Did we get money back from the old site? Exchequer – Scott does not think we will. Baroness – we will get deposit - Exchequer – correct Baroness – take lumps and be done with it).

## Old Business:

Sewing Day – getting check tonight, contract is signed, it's a go on June 25, 2017 from noon – 5pm. Facebook event

## Lochmere Business Meeting Notes—Continued

has been set up.

**Banners** – Beautification project – done nothing with that, it has fallen to the bottom of the list. There are the banners that Tatiana is working on – fabric is here will get to work as soon as baby is born.

**New Pavilion** – Do we want to paint it before using it? Would be easier before it gets all dirty! Need to make that decision soon! It hasn't been ordered yet – but soon? We have enough once the money from Storvik is returned.

### New Business:

Plug – October 14th come support Bight Hills for Harvest Wars! Going to have a fish eating frenzy, along with other strange stuff. Would love to see people from this Barony participate in the preserved foods competition - How you preserve food for the winter. I think we could wax everybody else. There are six different categories. The site is really nice – big and delightful!

Budget for exchequer? Approved!

Meeting adjourned.
