Words from Their Excellencies

Greetings, Lochmere,

This month, His Excellency must travel to the Kingdom of Meridies to take part in a great scientific endeavor. Keep in mind, there are some great opportunities for arts and sciences coming up. The details for the arts and sciences activities at Night on the Faire will be being posted soon. We're looking forward to the weather getting warmer, and that means we'll be able to start the baronial archery practice up again on the 13th. We can't wait to get back out on the range and nock the winter rust off. We'd also like to give a shout out to His newly minted Excellency, Baron Bacon, who was made a Baron of the their Majesties' court at Ymir 50. His coronet even looks like strips of bacon! We're planning on going to Defending the Gate this month, and we hope to see all of you there. Don't forget, Night on the Faire and On Target are just around the corner. If you're feeling generous, reach out to our event stewards and see if there are things they still need help with.

- Baron Linhart and Baroness Letia
