## Words from Their Excellencies

# *The Baronage of Lochmere*

BARON Melchior zum Grauen Wolf & BARONESS Kade Tatter Skirt

### GREETINGS LOCHMERE,

**T**hank you for your continued support as we adjust to the role of baronage; it was lovely to see some of you at Skewered last weekend, and we hope to have had a beautiful day at On Target by the time you read this.

**I**f you are interested in scribal or in voice heralding at events, please let us know! We're looking to have enough people to draw from that everyone gets to play, but nobody feels like they're stuck doing all the work. On the scribal front, we're also looking to assemble a set of example texts for all of our baronial awards to make life easier for future scribes and would be happy to hear from anyone interested in contributing to this project as well.

**L**ooking forward to Pennsic, we're tentatively planning to hold Lochmere court on Tuesday evening of war week. We also invite anyone who will be present to march with the barony in the procession to opening ceremonies and we'll need retainers for Atlantia's Great Court; if we can get several volunteers for that we can organize a rotation so that nobody has to be on-duty for the whole time. Please let us know if you would like to come look beautiful with us!

**W**e hope to see many of you at Tuesday practices (Kade is free of her Tuesday evening commitment for the summer, and will be coming out with a craft project to work on. She encourages non-fighters to join her!) and the sewing day at the end of the month.

Wishing good health, good aim, and happy crafting to all,

*Melchior*  
Baron

*Kade*  
Baroness
